FEATURES & SPECIFICATIONS

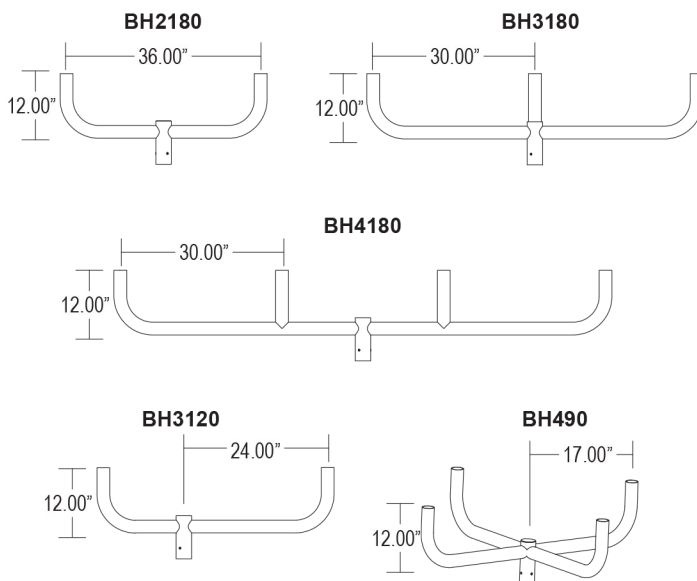

APPLICATION — The BH Series of Round Curved Bull Horns were designed to mount directly onto a 2-3/8" OD tenon to allow the mounting of multiple fixtures. It may be utilized with the majority of the Techlight product families (contact your sales associate for additional information).

CONSTRUCTION — The heavy duty bull horn is constructed of steel tubing. Each vertical tenon provided is 4" tall with a 2-3/8" outside diameter. Welding follows industry standards best practices. Stainless steel hardware provided.

FINISH — A Super Durable Polyester powder coat finish is electrostatically applied in our state of the art paint facility. Standard colors available: Black, Bronze, US Green, White. Custom colors available upon request.
