Ownership and copyright for all documents created by LED Spot hereunder shall remain the exclusive property of LED Spot. They are not to be used by the Owner or Client on other projects or on extensions of this project except by agreement in writing and with appropriate compensation to LED Spot. The lighting designer shall not be responsible for the means, methods, techniques, sequences, or procedures on construction or installation, or for the acts and omissions of the Client.

This design is based on .IES files that were lab tested or computer generated. This lighting design is based on information supplied by others. Changes in electrical supply, area geometry and/or objects within the lighted area may produce illumination values different from the predicted results shown on this layout.
