Internal Flush Mount Round Tenon Adapter

Internal Pole Top Slip Fitter

FEATURES & SPECIFICATIONS

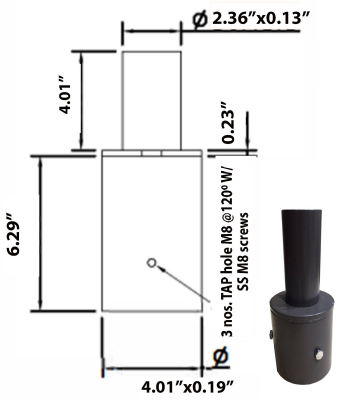

- Flush mount internal slip fitter accessory slips inside the top of a 3" 4" 5" or a 6" round straight pole for a virtually seamless transition from pole to post top light fixtures.
- Allows you to seamlessly integrate Bright LED lighting fixtures onto a 2-3/8" O.D. tenon
- Rugged Die Cast Steel tenon fitter
- EPA: 0.1
- Finish: Standard Dark Bronze
- Optional: Tenon fitter can be finished with Bright LED's polyester powder coat finishing process. This finish withstands extreme weather changes without cracking or peeling. Other standard finishes also available. Consult factory.
