

String Lights

48' STRING LIGHT SET W/S14 LAMPS

Item# 810002

Ordering Code STRING15/E26-S14KT

UPC 739698810058

• **SPECIFICATIONS:** Included in the box in a single, 48-foot strand of Edison style clear incandescent bulbs. The string has 15 individual socks and 15 clear S14 bulbs. Bulbs are spaced apart along the cord. Each bulb is 11 watts and 63 lumens. These bulbs are also dimmable.

• **INDOOR OR OUTDOOR:** These string light bulbs are safe to use both indoor and outdoor and tested to withstand water and weather. Use them confidently, knowing they are WET rated and won't break when exposed to moisture, snow, or wind. Ideal for creating a mood inside or outside.

• **LONG LASTING:** These bulbs are long lasting, meaning you'll experience fewer burnouts and replacement needs along the string. Each bulb is estimated to last 5,000 hours. The 2700-Kelvin white light offers a warm hue for an inviting atmosphere.

• **Fully Dimmable and works with most dimmer switches**
• **NOVELTY LIGHTS:** Truly versatile, these lights are typically seen both indoor and outdoor in a variety of settings. Use it on your porch or garage for a party.
