• **SPECIFICATIONS:** Included in this box is a single 48-foot-long black string light with fifteen incandescent S14 bulbs for the corresponding sockets. Each bulb utilizes LED technology to create an energy savings of 1 watt per bulb. The cord itself is black.

• **INDOOR OR OUTDOOR:** These string light bulbs are safe to use both indoor and outdoor and tested to withstand water and weather. Use them confidently, knowing they are WET rated and won't break when exposed to moisture, snow, or wind. Ideal for creating a mood inside or outside.

• **UNIQUE BULBS:** Included are 15 individual LED clear S14 bulbs (2700K). These bulbs have a decorative design unlike other traditional Edison style string lights to fit any style home.

• **Non-Dimmable,** designed for lighting fixtures where a dimmer switch is not installed

• **MULTIPLE USES:** Perfect for patio lighting, gazebos, porches, outdoor events, parties, restaurants/bars, weddings, living rooms, bedrooms, and more. These string lights set an immediate tone and mood for your
